

5 reminders on hearing God's voice

when you just can't quiet your mind

1. God doesn't expect perfection from you to spend time in His presence
2. God delights in spending time with His children
3. God is patient with you
4. God is never surprised by the power of your mind to go in 1,000 directions
5. God gave you the best tool to answer those nagging thoughts...scripture
